SAVE THE DATE

Northern California HTEC / CNC Technology Manufacturing Educators Conference *

“Strengthening Manufacturing Education in the Pipeline”

Friday & Saturday, October 6-7, 2017

→ Manufacturing in Action! – Friday, 1 pm – 4 pm

(Sierra College – GHF Advanced Manufacturing by Design Center)

→ Networking Event – Friday, 5 pm – 7 pm

(Rocklin HackerLab)

→ Main Conference – Saturday, 8 am – 3 pm

(Sierra College – GHF Advanced Manufacturing by Design Center)

Sierra College – Rocklin Campus (Bldg H)

Registration is FREE! [Click HERE!](#)

Come learn about some of the new innovative educational technologies and how they are being used in the lab, as well as how the educational community is training its students to meet the needs of employers.

* The HTEC conference covers issues relevant to CNC machining, including high school & post-secondary, as well as industry professionals in manufacturing.
